During Memorial Day weekend we had our first "Soccer Days" event at the Unadilla Teen Center. The Edward McKinley Memorial Soccer Tournament was cancelled at the last moment and we wanted to have something to offer those who had planned on playing in the tournament. Four teams of 8-10 players participated. We were pleased to see that several parents and friends stayed as spectators throughout the day. There also was plenty of food for all and believe it or not, we only had a few rain sprinkles!

Thank you to all the volunteers who made this event fun in spite of the limited time to plan.

During the event I looked up towards the small village church at 16 Watson St., which years ago was an active place. Like so many village churches that are now empty, this too would become empty. However, with God's vision and the Unatego Community Church following God's leading, it continues to be full of life. We are thankful to Pastor Ken Zulkosky, our guest who spoke the gospel to the teens. After all of the scheduled games, volunteers and coaches played the teens in one last soccer game. All who participated in this final game, both teens and adults, enjoyed the experience and friendly competition. We rounded out the day with the regular Teen Center time in the evening.

Seeing the church, now a teen center, as a vital place filled me with happiness. Knowing that the gospel message was still being presented here at 16 Watson St. was pleasing to think about. For all of our YFC supporters, you will be excited to know that we are in the process of obtaining ownership of the church in the near future. Please be in prayer for this and that YFC will be able to fund the expenses that will be incurred with the legal process and eventually ownership.

Thank you for your support and prayers throughout this past year.
