YOUR DONATION + MATCHING DONATION = TWICE THE IMPACT

Dear Friend,

Fifty-eight years ago I attended a Youth for Christ (YFC) conference at Ocean City, New Jersey, where I dedicated my life to serve Jesus Christ. YFC was an important part of my high school experience way back in the 50's.

In the early 80's YFC came to Oneonta and has served Delaware and Otsego Counties in many ways since then. We are so thankful to the many individuals who have remained faithful and have continued to support our ministry. However, the YFC Board has noticed that the number of individuals as well as the churches who support our ministry, has been declining each year. To continue our ministry, we need to have additional younger families and churches praying for and financially supporting our ministry.

Some of the ministries of YFC that began 33 years ago are continuing such as the annual bike trip and the Campus Life Clubs. These programs are important in reaching teens for Christ. There are many teens and adults who are serving God today, at home and abroad, who were influenced by YFC'S ministries.

As the culture and leadership has changed, YFC has added new ministries such as Activity Based Clubs, the equine programs, the Unadilla Teen Center and this year a soccer tournament. Presently we have Campus Life Clubs in Laurens, Unadilla and Walton. The YFC Board is praying for more funds, personnel, and volunteers in order to add more Campus Life Clubs.

So again, this year, the board and leadership will match up to **\$11,000.00 of pledged money** with any new donations and/or money that is over and above regular monthly commitments. **Donations need to be postmarked by June 24th.**

We thank you for praying and helping YFC minister to teens. We thank the Lord for the teens who have come to know Jesus this past year and the leaders, including volunteers, who are discipling teens for Christ.

May God continually bless you as you faithfully serve Him.
